DECO STICKERS COLLECTION

The best solution for instant interior decoration - decorative stickers, produced by AG Design®.

In a constant range, produced by our group, we have stickers for children, teenagers, people of different age groups and tastes. A wide range of designs is able to satisfy the most discerning consumers.

Our stickers can decorate almost any interior.

Decorative stickers are made on film, which is specially produced for our firm. This film is environmentally friendly (complete absence of harmful or allergenic ingredients), transparent or white based and coated with adhesive with possibility of repeated removal and bonding.

The latest equipment, coupled with innovative technologies allow us to produce labels of the highest quality from one piece to 5000 sheet per hour (maximal format of a printed sheet 700 x 1000 mm), with the methods of full-color printing, flock (velvet coating), printing of special metallic ink, mixed print techniques, special effects (pearl, glitter, 3d elements, etc.).

For our permanent collection we use two standard sizes: 42.5 cm x 65 cm, 65 cm x 85 cm.

All of our stickers are attractively packaged and have the user manual. For our trading partners, we also supply the sales equipment.

The main difference of our wall stickers - is a high quality print - thanks to our unique equipment, high-quality stamping - thanks to special adhesive layer, a large variety of designs - thanks to our own design bureau.

Our wall stickers are 100% manufactured in our factory in the Czech Republic, from 100% materials produced in the EU.

All our products are certified by TUV.

Unique designs + highest quality + creative solutions and attractive price - is the formula of sustained success of wall stickers produced by AG Design®.
